Re: Underground Mine  
Little Cottonwood Canyon  
Salt Lake County, Utah

Dear Mr. Caldwell:

As I committed to sending you during our conversation today, enclosed are forms MR-1 & 2 and a booklet of the laws administered by this Division. The reclamation law begins on page 49 of said booklet.

Before mining, a Mining and Reclamation plan is required to be filed and approved by this Division. As a part of the approval process, a surety to cover the cost of reclamation is also called for by the Act.

Please let us know if we can answer any inquiries for you or assist you in the preparation of the plan.

Sincerely,

DIVISION OF OIL, GAS, AND MINING

RONALD W. DANIELS  
COORDINATOR OF MINED  
LAND DEVELOPMENT
